Ideal shooting weather until the .45 match, then we got a few sprinkles and wet down a few targets. Overall, a great day at the range with a slightly small turnout, but good fun all around.

We knew this would be a real "shootout" with 2 previous champions on the line! It was back and forth through all three guns and in the end only 19 points separated 1st, 2nd, and 3rd places and only 5 points determined our new club champ. Simone and Chris were passing the lead back and forth until Simone finished strong with the 45 and won the championship with a 2520-64x over Chris's 2515-80x, too bad X's don't really count. I'm sure Chris would be willing to trade 60 of those X's for a measly 6 points.

Even though Simone took the title for TCGC, he was still only second place in the match overall because Greg was the high score with 2534-64x. Congratulations to Greg and Simone for their respective wins!

In fact, I want to give a big congratulations to all three of these fine shooters separated by only a handful of points in the 2500's!! Certainly, a pretty respectable neighborhood to finish in!

I also want to give a big THANK YOU to Bob for calling the match and Jim and Mike for making sure we had targets to shoot at!!

Unfortunately, we did not have enough non distinguished shooters to earn any leg points so the EIC matches were dropped.

Hope to see a few more of you in July.
