

Hello all BE shooters and groupies.

On August 7th, we had a Surprise Bullseye Gift Card Tournament in a 16-person bracket. Fun and lots of tough talk was had by all, with some exciting match ups and a tie. But in the end, it was Larry Sands for the winner of the gift card. Congratulations to Larry. (see bracket attached).

In other BE news. Our neighbors at Josephine County Sportsman's Club have a BE program. They shoot every 1st and 3rd Thursday of the month at 6:30pm. Next practice night is August 17th. If you can make it, let's show them some support. We are working on some issues to try and have them as our guest at one or all of our 1800's. They currently have approximately 7 active participants. Next Monday night we will coordinate carpooling for those who are interested.
