

MRPC Centerfire Series

Hey Bullseye Shooters,

It's that time of the year to get the centerfire pistols out. We will begin the center fire series on Monday October 25th. This will run in conjunction with the MRPC Food Drive. All non-perishable and canned food items collected will be donated to the Jackson County Access program.

How the centerfire series works;

After the regular Monday night 900 practice, those who wish to shoot centerfire, will get to shoot the 30 round National Match Course (10 shots slow, 10 timed, & 10 rapid)

The cost of this event is one donated food item each night you wish to participate. As an added bonus, those who participate will have the option to turn in their scores each night for an overall centerfire champion. Winner to get a Sportsman's Warehouse gift card.

BEFORE YOU ASK! - Yes, 1 and 2 handed from 50 feet.

Centerfire Schedule -

October	25	November	1	December	6
			8		13
			22		
			29		

Let's support the community while having some fun. The food drive barrels will be in place on October 22. Donate as you can.

I have attached a flyer that has a list of most commonly requested items.
