

# OSSA/OASR/OFSC Safety and Wellness Program 2021

The Oregon State Shooting Association (OSSA) is partnering with the Oregon Firearms Safety Coalition (OFSC) and Oregon Association of Shooting Ranges (OASR) to bring key safety resources to our members and communities.

## Key Goals for Oregon's Firearms Safety and Wellness

- GOAL 1:** Develop and deploy "Firearms Safety and Wellness Info/Brochure Kiosks" in 80 % of OSSA Clubs.
- GOAL 2:** Establish ongoing child safety/education classes, in 80% of OSSA Clubs, and train 2X each club's current member count (requires community outreach)
- GOAL 3:** Establish and deploy New Member Orientation suicide prevention training tools (presentation, video, ...) in 80% of OSSA clubs.

Join the team to make these goals a reality. Scan the QR code and enter your contact information

## Get your club ready to lead Oregon communities in firearms safety and wellness.

- Identify central location for "Information Kiosk" posters and brochures.
- Incorporate "OSSA/OASR/OFSC Safety and Wellness" message and video clips in New Member Orientation and Member meetings.
- Plan and sponsor Child safety "popcorn and movie night" to introduce child safety to members, their children, and the community
