

## Regional 2700 Precision Pistol Results September 9, 2020

Thank you to all those of you that showed up for the Regional match yesterday! The sky was blue and the air was breathable again so we burned some powder and enjoyed the outdoors! See results attached for details.

Sean Bell and Roy Dean lead the pack with Roy eking out a 10-point victory over Sean, both of whom shot Master scores and in fact were only 19 and 9 points respectively short of the 2600 club. Both of these guys indicated they had the 90 previous shots recorded high enough to let their 360 rolling average hit Master level so we witnessed 2 new master class shooters created yesterday.

Congratulations on the match and the new classification to both of you fine shooters!

Roy also dominated the EIC service pistol match with a 267-1x followed by our own Simone Smith at 256-5x. Dave Schmolke took the honors in both the Distinguished Revolver and EIC 22 matches with 273-5x and 284-10x respectively. Leg points should follow as soon as CMP and NRA validate the scores.

Congratulations to all of these match winners and again thank you to all of the shooters that joined us yesterday. I also want to thank all of you for tolerating my apprentice caller as she gets comfortable with the routine of calling a match. Of course a big thank you to my dear wife for stepping up to learn to call for us, it's possible that shooters would rather hear her voice than mine.

This was our final match for the season even though there will be one more outdoor match at TCGC in October. Our scheduled October match has been replaced by the state championship match run by Roddy. Be sure to join us next month.
